MEMORIAL DAY POT LUCK

THE POOL IS OPENING About MAY 24

You should have received the notice about the condo pot luck on Sunday, May 29, at 5:30 at the gazebo. Please bring your favorite dish to share. Thanks to Melany and Carolyn for organizing this summer kick-off!

Thanks for your patience with the extensive pool renovations and upgrade. This was a major undertaking but it should serve us well for a long time. Special thanks to Sam, Bob Wegner, Melany, Jerry Carroll, and Bobby for many thoughtful and time-consuming reviews, analyses, and meetings.

We hope to have another pot-luck during the summer when George and Caroline Thompson will be back and so will I (Mary). Please think about offering to organize the next one—it is very little work. You pick a date, reserve the gazebo, send out the notice, lay out the paper plates and utensils, and display your good humor and spirits. We often have co-hosts.

Melany will be the point person with the pool service company. Therefore, please get in touch with

UPDATED OWNER AND TENANT LIST

I am sending an updated owner and tenant list along with this newsletter. Please let me, Bobby, or Helen know if you see an error.

COMPOSTING COMES TO SHADOW CREEK

The City of Boulder is requiring composting as of June 15. Everyone will receive a notice about the procedure, along with a start-set of composting bags.

Many thanks to Corie Wallace who is taking the lead on making sure we understand the procedures and distributing the starter set of bags.

You will be hearing from Corie soon, and please get in touch with her if you have questions. This will be new for us and we ask everyone to learn the requirements, ask when you don't, and contribute to our beautiful environment.

WELCOME TO NEW RESIDENTS

Marisol Zinghini will be renting Unit 101 in Building 315 as of June 1. She will be moving in on or shortly after then, so please make a point of introducing yourself and making Marisol feel welcome in her new home.

Hal and Sherry Bruff, who bought their condo last year will be moving into it in June. They will be in Unit 101 in Building 337, and it will be nice to have them around full-time.
